### Subject : Award of Recognition as Model Arya Samaj (Abroad- Out of India) at IAMS 2018 - Delhi

Greetings to the Arya Samaj Greater Houston from the Organizing Committee of the International Arya Mahasammelan Delhi, Oct 25-28, 2018 - IAMS 2018.

Ladies & Gentlemen:

We are pleased to confer upon you a special award instituted for the first time in recognition of the fact that Arya Samaj Greater Houston under your dynamic and focused leadership has achieved a number of milestones in its 28 years such as:

- \* Vibrant weekly Satsang with multimedia system
- \* Weekly classes on Yoga, meditation, Sanskrit, and Vedic literature
- \* The foresight to obtain services of three full-time Acharyas with PhDs to cater for different sections of the community, including foreign population
- \* DAV Montessori School with professional teaching staff
- \* DAV Sanskriti School in parallel with the Sunday Satsang catering for about 150 children in age 4 to 13
- \* Active youth group AYM (Arya Yuva Mandal) for age 14 to 18, focused on Sewa
- \* Active participation in inter-faith events
- \* Active participation in pan-Hindu events in Houston
- \* Sewa even at faraway places struck with calamities such as earthquakes, tsunami, floods, etc.

We are happy to point out that your activities emanate from a custom-built campus spread over 4-acre site. The architecture and construction of the main Satsang hall is anybody's envy, beautified by select Veda-Mantras and full scale portraits of our luminaries. As one enters into the Satsang hall, one is struck with the spiritual atmosphere rarely seen in an Arya Samaj hall. This is a distinct experience to be seen to be felt. Even the rear blocks housing the two schools maintain the continuity. Another aspect that must be highlighted is the landscape that embodies the entire campus. The adjoining lake wraps around the Arya Samaj to provide an ashram-like environs to anybody's delight. We can visualize how tenderly love and warmth must have been showered during its design and construction. Though a library is always inseparable part of any Arya Samaj, your computerized library has a distinct character. The dining hall and profusely present TV screens perfectly blend modernity with the solemn Vedic soul.

You are aware that IAMS-2018 conference will celebrate 143 years of glorious history of Arya Samaj with participation from Arya-Bandhus from different parts of the world. Besides taking pride in our past, we want the conference to develop constructive actionable programs for different parts of the world catering for different sectors of population.

We are confident that your presence and suggestions will bring valuable contributions to our march ahead in the 21st century. Kindly inform us about your team members participating in the IAMS-2018 so that suitable arrangements for their stay can be made.

We look forward to being honored by honoring yourself during the IAMS-2018 with the Award of Recognition as a Model Arya Samaj in the World! Please share your arrival arrangements.

Yours faithfully

**(Suresh Chandra Arya)**

President
